Love Is Patient Love is Kind

2020 Original Art Collection - Limited Edition (50 pz)

Ivan shares with us about this piece from his heart as a husband: "This piece was a dedication to Imelda and I did it when I understood what marriage is. Marriage is something you have to work at, it is a decision, you have to decide to make your wife (husband) happy. It is a decision that is not about whether you like it or not. You must invest time. You both are not perfect for everything to work out perfectly. You have to learn to speak the language of your partner." Love is patient love is kind is a profound reflection of the invitation 1 Corinthians 13 makes to everyone who sincerely wants to demonstrate unconditional love as well as practice true and honest love in their lives.

Azel

2020 Original Art Collection - Limited Edition (50 pz)

The interaction for the angel Azel took a long time. When Ivan was waiting for God's message to pass it on, he received a short: "You are God's masterpiece" (Ephesians 2:10). At first it was a surprise, as it seemed like a very short phrase for an interaction that required so much work, however over time we have seen how God has touched the hearts of those who witness the work. Azel shows the magnificent, striking and beautiful effect on us when we come to understand and appropriate our identity, what we really are in this creation, God's Masterpiece.
